# DISCOVER Camp TORYMCA

**Based at the Torrington YMCA**  
 Four 2-week sessions. One 1-week mini session.  
 Ages: 6-12 • Monday-Friday: 9:00 am - 4:00 pm  
 Camper Extended Care is available. (See Below)

Camp TORYMCA is a planned fun filled summer for your children from the 1st grade through the 8th grade. Your camper's day consists of core camp activities, camper-chosen electives, daily outdoor play, and regular off-site field trips planned to help your child build confidence and try new things.

## Discover TORYMCA With Core Camp Activities

**Arts & Crafts** - Grab some yarn, paint or popsicle sticks and let's get to work. Campers will both learn new crafts and help make decorations for our theme days.

**Science Lab** - From animal kingdoms to exploding volcanoes, our campers will experiment with it in the Lab. We'll also dive deeper into not only what happens around us, but why it happens.

**Swimming** - Each day campers will take a trip to our heated indoor pool and learn to swim from an American Red Cross certified instructor. Once a week we'll take an offsite field trip to the lake where we can swim as well.

**Group Games** - From court to field games, campers will focus on something new each day to keep them moving throughout the session.

**Road Trip** - Campers will "travel" to different countries learning about what they eat, games they play and languages they speak through fun and educational activities. Each week a new country will be highlighted from around the world.

## Discover YOURSELF With Camper Chosen Electives

**Sports** - Participate in a variety of team sports that focus on fun and skill development.

**Art** - Flex your artistic muscles. Spend each session learning new mediums that will develop your creative side and engage your imagination.

**Video Production** - Use your acting, directing, or editing skills in creating a video masterpiece. We'll explore Stop Motion, Claymation and Green Screen. Each session campers will produce a video project.

**Dance/Drama** - Spend two weeks learning dance steps, combinations, and theatre games. Wrap it up with a short performance at the end of the session.

**Photography** - Learn all the steps that lead up to taking a good photograph. Projects include making a pinhole camera and photograms.

**Exploring** - Spend your session exploring the world around you, starting with yourself. They will participate in trust exercises, team building tasks and take walking trips to discover Torrington.
